Research Seminar at Holland House

This month Holland House opened its facilities and welcomed Rako Research to hold seminars to raise awareness on important issues such as AID Data in Somaliland: production & challenges and How do international and national laws protect/violate the rights of children living in Somaliland. These seminars were organised by Dr Mohamed Aden Hassan and Dr Ahmed M. Musa from Rako Research and guest speakers Guleid Ahmed Jama, and Dr Amal Ali. They were very well received by the community as they engaged with the speakers in the Q&A session either by adding to the topic or asking questions. There will be more seminars organised in the near future so keep an eye out for the announcements on @rakorcc or the socials of Holland House Hargeisa .

Eid al-Adha for the year 2021 was celebrated on Monday, July 19th ending on Tuesday, July 20th. Eid al-Adha is held around the 10th to the 13th days of the Islamic month of Dhu al-Hijjah and commemorates Ibrahim's sacrifice of his son to God.
